

PROMEMORIA®

Valmadrera, 31 July 2020

“We are thrilled to have been part of this stunning WAINBRIDGE project - Hotel Particulier Villeroy and had the opportunity to design and deliver all the furniture and the interior design of this beautiful project which reflects completely Promemoria DNA following the philosophy of contemporary luxury. The hotel is a little gem to be unveiled.

The materials, the colors, the design have been studied with WAINBRIDGE to the smallest detail to reach perfection and respect the historic building and fulfil the customer desires.

The challenge was to preserve the place by proposing bespoke solutions using precious materials and unique design proposals typical of our savoir faire.

We do believe that this incredible experience just signed the beginning of a long and fruitful collaboration with WAINBRIDGE on future winning projects”.
